

Senior Center Reopening Plan

- **Ephram White Park Senior Center: Monday through Friday 9am-1pm, Closed on Saturday and Sunday / No reservations will be taken for facility at this time.**
 - Open with modified capacity numbers
 - 12 patrons at any given time during
 - 2 patrons are permitted to use the fitness room at a time
 - Staff will need to keep count and record the number of patrons inside the building. Once 15 patrons are inside, no other patrons allowed until below that number. No exceptions.
 - Mandatory mask wearing inside building. Patrons are encouraged to bring their own mask, but the center does have a small supply in the event of a patron being unable to provide their own
 - Mandatory temperature check station at the front entrance of the center; a temperature of 100.4 or above will not be permitted entrance
 - The front door will be the only entrance available to patrons.
 - No shared food or drinks will be permitted in the facility; the kitchen will remain closed to patrons.
 - If necessary, for programming; prepackaged individual servings of snacks/treats will be distributed by gloved staff
- Programs
 - Limit organized programs to three times a week: crafts, fitness classes, dominoes, social meet ups
 - Five 6ft long tables will stagger through the room allowing proper safe distancing
 - Table dividers can be used to further separate personal space
 - Programs will use the back patio and awnings as much as possible
 - Limited activities with shared materials; use of gloves will be required when this can not be avoided. The center will supply gloves in these instances.
 - Special Programs include: Parking Lot Party, Evening Roast, and Pumpkin Party
- Cleaning
 - Hand sanitizer stations throughout facilities for patrons to use. Stations will be monitored, wiped down and disinfected regularly.
 - All water fountains will be covered; bottle fill station will remain accessible
 - Surfaces will be treated with HOLT disinfectant solution each morning and again following use of the area.
 - Disinfecting wipes are also available for patrons to clean their area as they feel it is necessary
- Fitness Room
 - 2 patrons permitted for use at a time
 - Patrons must be on alternating pieces of equipment
 - To improve air circulation; fans will be running and windows open, weather permitting
 - Patrons MUST wipe down each piece of equipment after use
 - Equipment use may be limited to 20 minutes if patrons are waiting
 - Fitness room is accessible during operating hours if building capacity has not been met
 - If long wait times are experienced, we will implement a reservation process. This will allow patrons to schedule and guarantee a time slot to exercise.
- Operating Hours
 - Facility will be open to patron Monday-Friday 9am- 1pm

- During this time, fitness room is first come first served
 - Patrons will have the opportunity to reserve spot for indoor programs
- After Hours
 - After hour programs (line dance lessons) will be monitored by facility staff
 - Organizer must agree to the above guidelines and procedures for use of the building
 - List of participants must be given to staff each night.
 - Failure to comply with guidelines will result in cancellations of future facility usage
- Alternative Options
 - Use the loading hallway at each gym to host line dance with ample space
- My Recommendation
 - Allow patrons to use fitness equipment on first come first serve basis
 - Promote SilverStreaming segments; filmed and schedule through November and we will continue to add content.
